EMPOWERMENT PROGRAM GRADUATES

"First, I want to give honor to God, who's head of my life. And I want to thank Him for giving me the strength and endurance to continue to keep pushing through the class. I don't really need any recognition, I just know that I'm great! Thank you all for giving me a solid foundation and continuing to give me more knowledge. I love everybody here and I just want to thank y'all again." -Empowerment Graduate

*"I'm happy I was a part of this program - I enjoy all the ladies I encounter every day. I was blessed and privileged to be put around everyone that works here. I came into this center 2 years ago and I've developed and I've grown. **And I've found myself when I didn't know I was lost.**" - Empowerment Graduate*

*"Our God who created us, He delights in you. I hope you know how inspiring you are, to all of us. I'm so grateful that I get to know you and get to walk with you. **So thank you for allowing us to be a part of this, and just know that our God delights in you.**" - The Landing Volunteer (A section from the graduation ceremony's speech)*

*"I would like to give a grateful thank you and appreciation for the organization, The Landing, for everything that we stand for. **To me, The Landing means more than a helpful, resourceful organization. It's an ideal family - they accept you just the way you are, just the way you come.***

Personally, I first came to The Landing for food, clothes, and shoes for my daughter and myself. This organization has helped me beyond that. I am in therapy class for free, I'm graduating for free, I'm close to the goals I've never had in order, all for free.

***And with a lot of my own effort, my daughter will be proud of me, but I couldn't have done this without The Landing. I'm grateful they're a part of my destination and I will forever be grateful and give thanks to this family. I love you all, thank you!"** - Empowerment Graduate*
