CERTIFIED PUBLIC ACCOUNTANTS

Independent Auditor's Report

To the Board of Directors
Sojourn Landing, dba The Landing
Houston, Texas

Opinion

We have audited the accompanying financial statements of Sojourn Landing, dba The Landing (a non-profit corporation), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Landing as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Landing and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Landing's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Landing's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Landing's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Ratzliff & Associates, P.C.

Sojourn Landing, dba The Landing
Note Disclosures to the Financial Statements
December 31, 2022

Note 1, Nature of the Organization

Sojourn Landing, dba The Landing (“the Organization”), was incorporated in 2015 and is operated as a nonprofit organization under the laws of the State of Texas. The mission of the Organization is to serve survivors of human trafficking and commercial sexual exploitation with a trauma-informed approach fueled by the love of Christ. The Landing has served over 1,500 child and adult survivors in the Greater Houston Area through three programs: Drop-In Center, Youth Advocacy, and Outreach. It is estimated that less than 1% of victims of human trafficking are identified, so The Landing works to identify survivors, create access to critical resources and a safe community, and empower survivors to reach their goals.

Note 2, Summary of Significant Accounting Policies

The following is a summary of the Organization’s significant accounting policies consistently applied in the preparation of the accompanying financial statements:

Basis of accounting: The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP) of the United States of America. Revenues are recognized when earned, and expenses are recorded when incurred.

Revenue recognition: Revenues of the Organization are primarily derived from contributions from the Organization’s supporters. A portion of the Organization’s revenues are tied to the local economy. All contributions are considered available for the Organization’s general programs unless specifically restricted by the donor.

The Organization receives grants from the Texas Office of the Governor for the services they provide. Grant periods are for approximately one year and are funded on a cost reimbursement basis, where funding, and, thus, revenue, is conditional upon the appropriate expenditure of funds for approved activities. The Organization’s requests for reimbursements are able to be submitted shortly after each month-end and are typically received before the end of the subsequent month. Grant revenue is recognized upon the receipt of reimbursements; unconditional grant receivable, if any, is not material to these financial statements.

For the year ended December 31, 2022, conditional grants receivable, which will not be recognized as revenue until 2023 upon the reimbursement of costs, totals approximately \$370,000.

Amounts received that are donor restricted by time or purpose are reported as increases in net asset with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction. However, contributions received with restrictions that are met in the same reporting period are reported as increases in net assets without restrictions. Investment income, when applicable, that is limited to specific uses by donor restrictions is also reported as increases in net assets without restrictions if the restrictions are met in the same reporting period as the income is recognized.

Sojourn Landing, dba The Landing
Note Disclosures to the Financial Statements
December 31, 2022

Note 2, Summary of Significant Accounting Policies (continued)

Donated assets and services: In-kind donations of supplies are recorded on the date of receipt. In the absence of donor restrictions, donated assets are reported as unrestricted revenue. Contributed services are recognized as unrestricted revenues if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by contribution.

For the year ended December 31, 2022, in-kind donations consist of a variety of professional services and donated supplies whose value is based upon comparable market data for services and items that would have been purchased had they not been donated.

A substantial number of volunteers have donated significant amounts of their time to the Organization's programs. However, these donated services are not reflected in the financial statements since these services do not meet the criteria for recognition.

Net assets without donor restrictions: The Organization further disaggregates net assets without donor restriction into two subcategories:

- General unrestricted: Net assets that are neither subject to donor-imposed restrictions nor self-imposed limits are general unrestricted.
- Internally designated: Net assets that are subject to the Organization's self-imposed limits by action of the governing board or its delegates are internally designated. These voluntary limitations allow the Organization to earmark net assets for a variety of needs that may arise. Such limits may also be lifted at any time in the future by resolution of the board or its delegates.

At December 31, 2022, there are no internally designated net assets.

Net assets with donor restriction: The Organization further disaggregates net assets with donor restriction into two subcategories:

- Temporarily restricted: The Organization reports gifts of cash and other assets as with temporary donor restriction if they are received with donor stipulations temporarily limiting the use of the contributions and if the restrictions are not met in the period of receipt.
- Permanently restricted: The Organization reports gifts of cash and other assets as with permanent donor restriction if they are received with donor stipulations permanently restricting the contribution to investment but permitting the Organization to use part or all the income derived from the investment for general or restricted purposes.

Sojourn Landing, dba The Landing
Note Disclosures to the Financial Statements
December 31, 2022

Note 2, Summary of Significant Accounting Policies (continued)

Programs: The Organization pursues its mission through the execution of the following major programs that are also the reported functional expenses of the Organization:

- Program services: Operating three programs that provide direct services of human trafficking in the Greater Houston Area:
 - Drop-In Center: Located on a nationally known hotspot for human trafficking, the drop-in center is a safe space designed to identify victims of trafficking, build trust, and increase access to care. Survivors can access basic needs, meet with a licensed professional counselor, join support groups and classes, and work with a case manager on goals like getting an ID, accessing medical care, or finding a job.
 - Youth Advocacy: For children and youth who have been trafficked, youth advocates collaborate with law enforcement and community partners to provide 24/7 crisis response, arriving onsite within 90 minutes whenever a youth is in crisis. Advocates provide ongoing case management and emotional support to youth and their families throughout their healing journey.
 - Outreach: With the goal of identifying victims and connecting them with services, The Landing engages in various outreach efforts to educate the community and meet survivors wherever they are. With the help of volunteers, The Landing reaches out to potential victims on the street, online, in court, and in the community.
- Development: Cultivating relationships with donors and partners, mobilizing volunteers, raising community awareness around the issue of human trafficking, hosting fundraising events, and securing necessary resources to operate The Landing's programs.
- Administrative: Conducting and supervising accounting, human resources, and other administrative functions.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant estimates included in the financial statements are depreciation and the estimated allocation of certain payroll and facility expenses to the functional areas. Depreciation is computed using management's estimate of the useful lives of the asset. The allocation of payroll and facility expenses is, respectively, based on management's estimate of staff time and roles and facility space and usage.

Allocation of expenses by function and nature: The costs of providing the various programs and other activities have been allocated and summarized on a functional basis in the statement of activities and on both a functional and a natural bases in the statement of functional expenses. Accordingly, certain costs have been allocated among the program and supporting services, as well as the natural categories, benefited.

Liquidity: The statement of financial position is classified to show subtotals for current assets and current liabilities as part of the Organization's enhanced disclosure of liquidity. The Organization anticipates using current assets and satisfying current liabilities within one year of the statement date. Current assets, excluding prepaids (as applicable), represent financial assets available for general expenditure within one year of the statement date. Disclosures are presented for both the quantitative and qualitative aspects of liquidity and the availability of financial assets.

Sojourn Landing, dba The Landing
Note Disclosures to the Financial Statements
December 31, 2022

Note 2, Summary of Significant Accounting Policies (continued)

Cash and cash equivalents: For the purposes of the statement of cash flows, the Organization considers highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Concentration of credit risk: Financial instruments that potentially subject the Organization to credit risk include cash on deposit with a financial institution exceeding \$250,000 at various times during the year. The U.S. Federal Deposit Insurance Corporation insures amounts for up to \$250,000.

Contributions receivable: receivables consist of unconditional donor pledges due to the Organization. Management determined that no allowance was necessary for uncollectible accounts at December 31, 2022.

Property and equipment: Property and equipment are recorded at acquisition cost. The Organization capitalizes furniture and equipment with a useful life longer than one year. Betterments and renewals are capitalized. Maintenance and repairs are expensed to operations when incurred. Depreciation is computed using the straight-line method over the estimated useful lives which range from 5 to 7 years.

Income tax status: The Organization is a nonprofit organization that is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code as other than a private foundation, except on net income derived from unrelated business activities.

For the years ended December 31, 2022, the Organization has not conducted unrelated business activities that are material to the financial statements taken as a whole. Accordingly, no provision for income taxes is included in the financial statements. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization is required to file Form 990. Tax returns for the previous three years are open to examination by the relevant taxing authorities for a period of three years from the date the returns are filed.

Going concern considerations: The Organization analyzes the effect that current and future events, both internal and external, may have on operations so that the Organization may continue as a going concern (i.e., a viable organization). As of the date of this report, management has not identified a significant matter that, in its judgement, could materially threaten the ongoing operations of the Organization for at least one year from the date of the report on page two. However, if conditions change during the following year, the Organization may reschedule or reformat certain events and activities or adjust the general operational budget, as needed. See also the Liquidity disclosure for additional cash management strategies.

Note 3, Net Assets

The summary of change in net assets are as follows:

	<u>Net Assets Without Donor Restrictions</u>		<u>Net Assets With Donor Restrictions</u>	
	<u>General Unrestricted</u>	<u>Internally Designated</u>	<u>Temporarily Donor Restricted</u>	<u>Permanently Donor Restricted</u>
January 1, 2022	\$ 380,586	\$ -	\$ -	\$ -
Transfers to (from)	-	-	-	-
Net change	<u>19,301</u>	<u>-</u>	<u>22,127</u>	<u>-</u>
December 31, 2022	<u>\$ 399,887</u>	<u>\$ -</u>	<u>\$ 22,127</u>	<u>\$ -</u>

The details of the Organization's net assets by categories at December 31 are as follows:

	<u>2022</u>
Net assets without donor restrictions	
General unrestricted	\$ 399,887
Internally designated	<u>-</u>
Total net assets without donor restrictions	<u>399,887</u>
Net assets with donor restrictions	
Temporarily restricted	
Youth Advocacy	2,127
Drop-In Center	<u>20,000</u>
Total net assets with donor restrictions	<u>22,127</u>
Total net assets	<u>\$ 422,014</u>

Sojourn Landing, dba The Landing
Note Disclosures to the Financial Statements
December 31, 2022

Note 4, Leases

The Organization is under contractual leases for several office spaces whose terms extend through April 2026. In accordance with accounting standards, the Organization (the lessee) recognizes and adjust annually the lease right-of-use ("ROU") assets and corresponding lease liabilities for operating leases on the statement of financial position. Actual lease costs are included and allocated with expense on the statements of activities and functional expenses. The ROU asset is measured based upon the minimum future payments remaining on the leases, which totaled \$227,172 at December 31, 2022.

The operating lease liability is carried at the same value as the ROU asset, and each subsequent year, the ROU asset and lease liability are reduced equally by the annual lease payments. A discount rate was not used since it was determined not to impact these calculations materially. For the years ended December 31, 2022, operating lease expenses were approximately \$52,000.

Following are the undiscounted minimum operating lease payments remaining at December 31, 2022:

2023	\$ 65,373
2024	67,825
2025	70,276
2026	<u>23,698</u>
Total	<u><u>\$ 227,172</u></u>

Note 5, Liquidity and Availability of Financial Assets

The Organization's financial assets are current assets available for general expenditure within one year of the statement date. Financial assets are calculated as follows: current assets less donor-restricted, board-designated and/or contractually obligated cash and investments, inventory, prepaid expenses, and other similar current assets, as applicable.

As part of the Organization's liquidity management, it has a strategy to structure its financial assets to be available as general expenditures, liabilities and other obligations come due. The significant qualities of this strategy are as follows:

- The Organization maintains general reserves in its unrestricted general net assets which consists of prior years' net excess revenues (net operating surplus).
- The Organization invests cash in excess of daily requirements in short-term investments such as interest-bearing savings accounts or money market funds.
- The Organization is highly dependent on recurring contributions from its donors which have remained relatively consistent year-to-year.

Sojourn Landing, dba The Landing
 Note Disclosures to the Financial Statements
 December 31, 2022

Note 5, Liquidity and Availability of Financial Assets (continued)

The Organization's financial assets are quantified at December 31, 2022, as follows:

Current assets	\$ 488,807
Less: those unavailable for general expenditures within one year,	
Non-liquid current assets	-
Less: donor-restricted funds	<u>(22,127)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 466,680</u>

Note 6, Subsequent Events

The Organization has evaluated subsequent events through the date of the Independent Auditor's Report on page 2, which is the date the financial statements were available to be issued. In addition, see the Organization's accounting policies in Note 2 for liquidity and going concern considerations.
